**To: The shareholders of Adventa**

Dear Sir/ Madam,

**PROPOSED RENEWAL OF AND NEW RRPT MANDATES**

**1.0 INTRODUCTION**

On 8 April 2024, the Board had announced to Bursa Malaysia Securities the Company's intention to seek the shareholders' approval for the Proposed Renewal of and New RRPT Mandates at the forthcoming Twenty-First ("**21st**") AGM.

The existing authority for Shareholders' Mandate which was approved by the shareholders at an AGM held on 23 June 2023, shall in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming 21st AGM, unless renewal is obtained from the shareholders of Adventa at the forthcoming AGM.

The purpose of this Circular is to provide you with relevant information on the Proposed Mandates and to seek your approval on the ordinary resolutions to be tabled at the forthcoming 21st AGM.

The Company advise you to read and carefully consider the contents of this Circular before voting on the ordinary resolution in relation to the Proposed Renewal of and New RRPT Mandates to be tabled at the forthcoming 21st AGM. The notice of the 21st AGM and the Form of Proxy are available for download from the Company's website at <https://www.adventa.com.my/investorrelations-info>.

**2.0 DETAILS OF THE PROPOSED RENEWAL OF AND NEW RRPT MANDATES**

**2.1 Introduction**

Pursuant to Paragraph 10.09(1)(a) of the Listing Requirements, the Company must immediately announce a RRPT where:-

- (i) the consideration, value of the assets, capital outlay or costs of the RRPT is RM1 million or more; or
- (ii) the percentage ratio of such RRPT is 1% or more,

Whichever is the higher.

Paragraph 10.08(2) of the Listing Requirements states that where any one of the percentage ratios of a related party transaction is 5% more, the Company must issue a circular to its shareholders, obtain specific shareholders' approval of the transaction and appoint an independent adviser. Further, Paragraph 10.08(4) of the Listing Requirements states that where any one of the percentage ratios is 25% or more, in addition to the foregoing, the Company must appoint a main adviser.

Pursuant to Paragraph 10.09(2) of the Listing Requirements, the Company may seek a mandate from its shareholders for RRPTs subject to the following:-

- (i) the transactions are in the ordinary course of business and are on terms not more favourable to the Related Party than those generally available to the public;
- (ii) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where the aggregate value is equal to or more than the threshold prescribed under Paragraph 10.09(1) of the Listing Requirements;
- (iii) the Company's circular to shareholders for the shareholders' mandate includes the information as may be prescribed by Bursa Malaysia Securities. The draft circular must be submitted to Bursa Malaysia Securities together with a checklist showing compliance with such information;
- (iv) in a meeting to obtain shareholders' mandate, the relevant Related Party must comply with the requirements set out in Paragraph 10.08(7) of the Listing Requirements; and
- (v) the Company immediately announces to Bursa Malaysia Securities when the actual value of a RRPT entered into by the Company, exceeds the estimated value of the RRPT disclosed in the circular by 10% or more and must include the information as may be prescribed by Bursa Malaysia Securities in its announcement.

The Proposed Mandates are subject to annual renewal. The Proposed Mandates, if approved, will take effect from the date of the passing of the ordinary resolution proposed at the forthcoming 21st AGM of the Company and will only continue to be in force until:

- (a) the conclusion of the next AGM of the Company following the general meeting at which such mandate was passed, at which time it will lapse, unless by a resolution passed at a general meeting, the authority is renewed;
- (b) the expiration of the period within which the next AGM after that date is required to be held pursuant to Section 340(2) of the Act (but must not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or
- (c) revoked or varied by resolution passed by the shareholders of the Company in general meeting,

whichever is earlier.

Adventa is seeking approval from the shareholders for the Proposed Mandates which will allow the Group, in their normal course of business, to enter into the categories of RRPTs referred to in the ensuing sections provided that such transactions, are made at arms' length basis and based on the Group's normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and not detrimental to the minority shareholders.

## **2.6 Review and Disclosure Procedures on the RRPTs and Thresholds of Authority**

Adventa Group has established various procedures to ensure that RRPTs are undertaken at arm's length basis and on normal commercial terms which are consistent with Adventa Group's normal business practices and policies, on transaction prices and terms not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders.

The review and disclosure procedures with regard to the RRPTs are as follows:-

- (a) Adventa Group will be notified of the Related Parties and will be required prior to entering into such transactions to ensure that all the RRPTs are consistent with Adventa Group's normal business practices and policies which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders;
- (b) Records will be maintained by Adventa Group to capture all RRPTs which are entered into pursuant to the shareholders' mandate;
- (c) The Board and/or the Audit Committee shall review the internal audit reports which are normally conducted at least once a year to ascertain that the guidelines and procedures established to monitor RRPTs have been complied with;
- (d) The Board and the Audit Committee shall have overall responsibility for the determination of the review procedures including addition of new review procedures where applicable. The Board and the Audit Committee may also appoint individuals and committees within Adventa Group to examine the RRPTs as they deem appropriate. If a member of the Board or the Audit Committee has an interest, he will abstain from any deliberation and decision-making by the Board and/or the Audit Committee in respect of the said transaction; and
- (e) Disclosure will be made in the Annual Report of the aggregate value of RRPTs conducted pursuant to the shareholders' mandate during the financial year.

As for the thresholds authority, Adventa Group has in placed internal charts of authority governing all business transactions. Since the RRPTs are conducted in the ordinary course of business, these are also covered under the charts of authority as there is no specific formal document in respect of thresholds authority for RRPTs.

Where practical and/or feasible, at least two (2) other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison for determining the price and terms offered to/by the Related Parties are fair and reasonable as compared with those offered to/by unrelated third parties. In the event that quotation or comparative pricing from unrelated third parties cannot be obtained, the transaction price will be determined based on those offered to/by other unrelated parties for substantially similar types of transactions to ensure that the RRPTs are not detrimental to Adventa Group.

## **2.7 Statement by Audit Committee**

The Audit Committee of the Company has seen and reviewed the procedures set out in Section 2.6 above and is of the view that the review procedures for RRPTs are sufficient to ensure that the RRPTs will be entered into at arm's length and in accordance with the Group's normal commercial terms, and on terms which are not more favourable to the Related Parties than those generally available to the public, and hence, will not be detrimental to the minority shareholders. Any member of the Audit Committee who is interested in any RRPT shall not be involved in the review of the RRPT.

The Audit Committee is satisfied that the Group has in place adequate procedures and processes to monitor, track and identify RRPTs in a timely and orderly manner, and the review of these procedures and processes are conducted on an annual basis or whenever the need arises.

### **3.0 RATIONALE AND BENEFITS OF THE PROPOSED RENEWAL OF AND NEW RRPT MANDATES**

The rationale for and benefits of the Proposed Mandates to Adventa Group are as follows:-

- (b) The Proposed Mandates will enhance Adventa Group's ability to pursue business opportunities which may be time sensitive in nature and it may not be practical to seek shareholders' approval on a case-by-case basis before entering into such transactions;
- (c) The Proposed Mandates will eliminate the need to make regular announcements or convene separate general meetings from time to time to seek shareholders' mandate approval, thereby reducing the administrative time and cost in convening such meetings without compromising the corporate objectives and adversely affecting the business opportunities available to Adventa Group.
